

Decorating Information

(In effect until December 31, 2019)

When booking a wedding at Strathmere, we provide our couples with ivory lap length linen, ivory napkins, rustic wooden cross back chairs, and lanterns with LED pillar candles to softly light your tables. As we take great pride in decorating each of our unique facilities, please note that antique furniture and fixtures cannot be moved.

Your Strathmere Wedding Coordinator is pleased to take care of the following tasks on your wedding day:

- Setting your tables with your requested linen & napkins
- Placing pre-made centerpieces and gifts/favours for place settings
- Placing your guest book and seating chart on our complimentary easel.

Standard Decorating Times

You will have access to your venue at the following times:

- Saturday/Sunday/Holidays: **Any time after 12:00 Noon**
- Monday to Friday: **No later than 2 hours prior to the ceremony (or arrival time if a church ceremony)**
- Luncheons Weddings: **After 9:00am**

Should additional time be required, requests can be made to the Reservations Office 7 days prior to the wedding day. Our ability to give you the extra time will depend on whether the facility is unoccupied during the time you request.

Additional Decorating

For additional decorating (eg. placement of place cards, securing of pew bows, etc.), please designate this task to a close friend or family member to take care of these additional decorating tasks on your behalf. If you'd prefer for our Strathmere team to take care of these elements, this can be arranged for **\$50 per person/per hour**.

Decorating Limitations

Due to strict fire regulations, open flame candles are prohibited. Strathmere provides LED pillar candles to softly light your guest tables, however, you are welcome to use your own centerpieces, such as tea lights, votive and floating candles, as well as pillars and tapered candles provided they are contained in a glass hurricane or holder.

Strathmere has an exclusive linen supplier and does not allow clients to bring in linen from another source. Strathmere will take care of all linen ordering, delivery, and handling. To ensure availability, we suggest a minimum of 6 weeks' notice.

Should your decorating lead to unusual clean-up costs or repairs, the following charges will be added to the Reconciliation Invoice, without notice:

\$25 for decorating clean-up prior to the wedding (we have a vacuum available if you need it);

\$100 for damage caused by the use of nails, screws, push pins, thumbtacks, staples or sticky tape; and,

\$100 to clean up after the use of table confettios (metal, paper etc.) or confetti, straw, hay, leaves or pine boughs.

\$100 for Strathmere staff to remove client decorations following the event.

Décor Removal

All decorations, rental items and wedding gifts need to be removed at the end of the evening. Strathmere is not responsible for any lost, stolen or damaged items.
